

LASTAGE TIMES/Hollywood Fringe: 11 Days of Theatrical Adventure

by **LEE MELVILLE** | June 29, 2010

T-O-T-A-L-L-Y, winner of the Top of the Fringe Award as well as Fringe Award for Theatre, got the early buzz and packed Theatre of NOTE at most performances. As candidly written and performed by Kimleigh Smith, it is a powerful journey from naïve teenage cheerleader to a woman of inner strength, told with brave honesty and athletic agility. It was crystal-clear why her honed talent drew audiences like a magnet, under the expert direction of Paula Killen. A future home is being sought to continue Smith's totally engrossing story.
